

News from All Seasons

Thanks for another successful year. All Seasons has recently been named a Yamaha Key Dealer, and a Yamaha Marine Loose Outboard Dealer. This allows us to offer small motors for dinghies and inflatables, and large motors at better prices. Yamaha Outboards are the Industry leader in Customer Satisfaction. All Seasons Marine is committed to providing a great boating experience. Through our partnership with Yamaha we have been able to offer a great product with great service and support.

Our second location on the Saugatuck River in Westport, CT is slowly getting renovated. We have now actually owned the place for 14 months and have come forward leaps and bounds with structural repairs, a new office, a revised storage and service area, and sometime this month we will be rearranging the racks to create an easier service area. If you haven't seen our indoor showroom or our inside project area, come down to Westport one day and enjoy lunch at the Black Duck or Mario's after you see the shop. We also recently started leasing slips up the river at the River House Tavern. These are limited access slips, but they are perfect for the boats we sell and service. We have some spots available for next year, but get in line soon. They will go quick!

Winter Storage & Service Information

Please notify us as soon as you have finished your boating season. This year we are implementing a haul-out policy to protect your boats and our personnel:

After October 15, 2007 your boat will be hauled out at our discretion. Please make special arrangements if you plan on using your boat after this date. We are not responsible for boats damaged from wind or weather.

When you are finished with your boat, please remove all valuables and items prone to mildew, empty your head and fresh water tanks, and remove your electronics. We are not responsible for any items left in boats for the winter.

Please check our website www.allseasonsmarineworks.com for service forms, rate sheets, and to email us your service requests and fish stories.

As always, Winter Storage is ONLY offered as a Full Package—please read the forms and choose the service you prefer. Please call with any questions.

Please only fill out the form for your preference:

GREEN FORM: Winter Storage Customers ONLY (Along with a \$500 deposit)

BLUE FORM: Other customers (All services, but not storing with ASMW)

Please return one of these forms as soon as possible.

Have a safe and warm winter—see you in the spring!
