## STORAGE CUSTOMER RATES

**2020-21 Fall Service**

<b>Requested Haul Week:</b>	Boat:
Name:	Length:
Address:	Motor:
Address:	Location:
Phone:	Key:
Email Address:	

All Seasons' winter storage program includes FULL SERVICE: complete fall decommissioning and spring commissioning services. This rate sheet lists our competitive pricing for these services. We invoice for the three services separately:

(1) Fall Service, (2) Winter Storage, and (3) Spring Service.

**Please have your waste (head) holding tank emptied before winter service. We do not have pump-out capability. If needed contact [www.eastnorwalkblue.org](http://www.eastnorwalkblue.org): they come to your boat and pump it out for free! Pump out stations close early in the fall.**

ASMW Labor Rate: \$138 per hour

**TERMS AND CONDITIONS**

1. This contract covers the period beginning October 15, 2020 and ending April 15, 2021, unless other arrangements are made previously. Dry Land Storage may be at All Seasons Marine Works, Inc. or another inland location. Preferred hauling & launching dates must be confirmed well in advance. After October 15, hauling dates will be at the yard's discretion.
2. The word tenant indicates the owner of any vessel stored with All Seasons Marine Works, Inc. (ASMW).
3. Due to insurance company regulations and liabilities, absolutely no outside contractors will be allowed in the yard without first clearing with management. If not cleared, tenant will lose slip, mooring, or storage privileges.
4. The tenant agrees to have his/her boat insured with complete marine coverage including liability and theft. Each tenant will be held liable for damages caused to other boats or facilities. ASMW or WBM shall not be held responsible for care or protection of vessel or contents in any situation.
5. Reasonable precautions will be taken by ASMW to protect tenants' property. ASMW assumes no responsibility for the safety of any vessel stored and will not be liable for fire, theft or damage to said vessel--however arising. No heaters of any kind are to be used on boats. Damage from animals is not the responsibility of ASMW.
6. Tenants are not guaranteed access to their boats--inside or out--at any time while in storage.
7. In the event of ice, storm, etc, ASMW will attempt if practical and possible to prevent damage. The tenant is still solely responsible to take emergency precautions when necessary.
8. Boats stored in-water must be secured in a manner acceptable to management. ASMW will secure vessels and charge appropriate fees if not acceptable. All vessels must have winter covers. ASMW reserves the right to move the vessel at its discretion.
9. Tenders and skiffs shall be removed for the winter or will be deemed abandoned property and will be disposed of as such.
10. At the end of the agreed contract period (April 15, 2021), tenant agrees to remove their vessel from ASMW. If the vessel is left without renewing a storage agreement, tenant agrees to pay daily storage fees of \$3/foot/day.
11. The tenant agrees that a vessel stored with ASMW in excess of 1 year without signing a new storage agreement will be considered abandoned property. Upon written notice to tenant (to address on previous agreement) to remove vessel, ASMW will dispose of vessel as it sees fit.
12. Do-it yourself work is prohibited. Under special circumstances it will be tolerated, but will be limited to specific "safe" activities.
13. By agreeing to "Dry-Land Storage" with All Seasons Marine Works, tenant also agrees to Full Service Spring Commissioning including, but not limited to: Bottom Painting, Wash and Waxing, Electrical Service, Full Commissioning, Motor Service, Launching and testing of boat. This will be charged at our normal rates as applicable.
14. ASMW reserves the right to refuse service on any boat.
15. Storing your boat with All Seasons is considered consent to perform all work both Fall and Spring and acceptance of these Terms and Conditions.
16. TRAILER STORAGE: Owner of trailer MUST HAVE insurance. ASMW not responsible for theft or damage at our summer lots.
